

Remarks:

The above-identified patent application was originally filed by the named inventor Pro Se. Subsequently, a Power of Attorney and Correspondence Address Indication form (PTO/SB/81) were filed, appointing practitioners associated with Customer Number 34,170, including the undersigned, to prosecute the application.

On August 31, 2004, a first Preliminary Amendment was submitted concurrently with a reply to a Notice to File Corrected Application Papers.

Applicant respectfully requests entry of this second preliminary amendment, amending the Title of the Invention, canceling the existing claim 9, and adding new claims numbered 10-21, prior to examination on the merits.

Respectfully Submitted,

Date: Nov 12, 2004
